

SQA - Construction Site Supervision (Construction): Building and Civil Engineering

Duration: 7 - Classroom Based Session & 3 - One to One Sessions (Within the workplace)

Overview: The Scottish Vocational Qualification (SVQ) level 3 in Construction Site Supervision (Construction):
Building and Civil Engineering has been designed in partnership with CITB Sector Skills Council to ensure relevance to the sector. It is also jointly awarded with the Chartered Institute of Building (CIOB) and the Institution of Civil Engineers (ICE).

This qualification covers areas such as maintaining systems for health, safety, welfare and controlling work progress against agreed programmes, maintaining supplies of materials to meet project requirements, implementing communication systems for the project and co-ordinating preparation for site operations.

The SVQ allows learners to demonstrate competence in job-related skills in their area of work and expertise. Candidates should be in a job or placement, where they are carrying out relevant tasks and responsibilities which allow them to gather the required evidence.

Content:

- Maintain Systems of Health, Safety, Welfare and Environmental Protection
- Assess and Recommend Work Methods
- Plan Work Activities and Resources to Meet Work Requirements
- Co-Ordinate Work Control
- Control Work Progress Against Agreed Programmes
- Allocate and Monitor the Use of Plant, Equipment or Machinery
- Develop and Maintain Good Working Relationships
- Maintain Supplies of Materials to Meet Project Requirements
- Implement Communication Systems for the Project
- Maintain the Dimensional Accuracy of the Work
- Control Work Against Agreed Quality Standards
- Contribute to Controlling Work Quantities and Costs
- Co-Ordinate Preparation for Site Operations
- Allocate Work and Check People's Performance

Assessment: Assessment is carried out in the workplace, minimising any time learners would need to be away from their work.

Upon successful completion, learners will gain an internationally recognised qualification which guarantees that they have the skills, knowledge and abilities required to carry out their role successfully. Employers will also benefit from their employees being proficient.

Suitable to obtain the Gold CSR Building Site Supervisor Card

This course is CITB approved and grant aid may be available for those companies registered with CITB or Invest Northern Ireland.
